ARTICULATION FOR AAS DEGREE TO BSN:

ASSOCIATE APPLIED SCIENCE IN NURSING (YEARS 1 & 2 AT SOUTHWESTERN ILLINOIS COMMUNITY COLLEGE)

Students must complete all requirements of the Associate of Applied Science in Nursing at SWC to meet Webster's admission requirements as outlined above. For students looking to complete their prerequisites at SWC, please see the chart below.

PREREQUISITE COURSES:

All applicants must successfully establish college credit in the following prerequisite courses. It is recommended that these be taken as part of the associate degree at Southwestern Illinois Community College if possible. Please seek assistance from your SWC advisor or Webster transfer counselor for guidance on how best to meet these requirements. If not taken prior to matriculation at Webster, each student will work with their nursing program advisor to schedule these accordingly.
